1	<p>Развлечение с детьми на тему «Профилактика коронавирусной инфекции»</p>  <p>The first photograph shows the caregiver standing at a table with a large, colorful cardboard display board. Several children are sitting on chairs in the background, watching the activity. The caregiver is wearing a white lab coat, a face shield, and a mask. The display board features various health-related items and illustrations, including a box labeled 'Септолете' and a box labeled 'Эргоферон'. The second photograph shows the caregiver sitting at the table, looking at the display board. The third photograph shows the caregiver sitting at the table, holding a small object, possibly a toy or a sample, while the children watch.</p>	<p>Воспитатель Иванова О.Р.</p>
